Thank you for applying for the above referenced permit to improve your property in the City of Coral Springs. We commend you for making the investment in our community.

As a courtesy notice, we want to inform you that your **BUILDING PERMIT MAY SOON EXPIRE** if no action is taken within the next 30-days*. Permits expire if work, as defined in Paragraph 105.3.2.6 (FBC), authorized by such permit is not commenced within 180-days from the date of the permit or if such work when commenced is suspended or abandoned for a period of 90-days, Section 105.3.2.1 Depending upon the inspection status as stated above, this permit may expire prior to 30-days from this notice. If still active call in a Job Inspection within 30-days.

If the permit expires, all work must cease until it is renewed or a new permit is obtained. Any additional permits for the property will also be on hold until the above listed permit is resolved.

Additional permit fees that will be imposed depend on the permit's status and time lapse. We recommend you contact your contractor at your earliest convenience. You may also contact our office at the information listed below.
