This is a proposal to provide tree removal to your community. Specifically, we propose to remove and grind one Ficus tree on the North end of the wall, on Coral Springs Drive. We will grind as much as we possibly can, and to the best of our abilities, due to the fence post that is imbedded into the stump of the tree. All debris will be removed from the property in our trucks. The cost to provide this work is listed below. Permit fees are not included in this price.

1 Ficus tree removal

\$1,400.00

This total is due upon completion of work. To accept this proposal sign below and return to us.
