Subject: Cypress Lakes - signs placed near both entries of the development

Dear Mr. Alia and Mr. Flores:

See attached photos of two signs alongside NW 109th Manor just west of Coral Springs Drive (the first photo is of the sign adjacent to the road just after you enter the development, and the second attachment is the photo of the sign installed before the stop sign as you exit). Both of these signs were installed on 3/1/26.

The same two signs were placed in a similar manner alongside NW 109th Terrace just north of Atlantic Blvd., and also installed on 3/1/26.

Please determine if these signs comply with Coral Springs Code and if not, I believe the City should take appropriate action.

By the way, I reside at 946 NW 110 Lane, Coral Springs, FL 33071 in the Cypress Lakes development.

Thank you.
