Subject: RE: quote needed

Can you confirm the area outlined in red is what you need surveyed?
If so the cost would be \$2,600, if you need staking please advise in advance for an accurate quote.

Our current turnaround time is 5-15 business days.

WE ARE IN THE MIDDLE OF GETTING OF 3RD PARTY VERIFIED DIGITAL SIGNATURE BUT WE DO NOT HAVE ONE AT THIS TIME. I DON'T HAVE A SET DATE YET AS TO WHEN I WILL, IF THIS IS A REQUIREMENT FOR YOUR BUILDING DEPT. PLEASE DO NOT PLACE AN ORDER WITH US RIGHT NOW. WE CAN SEND A GENERAL DIGITAL SIGNATURE AS WELL AS HARD COPIES. BY MAKING A PAYMENT YOU ARE AGREEING TO HAVE READ THIS, AND WILL NOT GET A REFUND IF YOU PLACE AN ORDER AND END UP NEEDING THAT, IT IS YOUR RESPONSIBILITY TO FIND THIS OUT IN ADVANCE WITH YOUR BUILDING DEPT.

If you would like to proceed, you can go to this link below and fill out the payment ahead of time online. Please REPLY all to this email when you make a payment.

<https://securepayment.link/compasssurveying/>

If a file is canceled 24 hours after being paid a 10% administrative fee will be held. This only applies to files that our surveyors have not been to the site, once a surveyor begins the field work no refunds will be issued.

**AT THIS TIME, WE HAVE NO ABILITY TO EXPEDITE OR RUSH ANY WORK.

to me

Good afternoon Mike,

I did speak with our construction manager and he has provided a quote :

**Asbuilt survey of the common area as requested – to include tie in boundary corners, location of improvements
Springs Drive & West Atlantic :**

\$9000.00 with a turnaround time of approximately 3-4 weeks (business days & weather permitting)

If you would like to proceed, we would require payment to be processed prior to scheduling a field crew to the site.

Please see cc form attached.

If you have any questions or concerns, please let us know.

Thank you ! 😊

Best Regards,
